

Rutik Ugale

JUNIOR FULL-STACK DEVELOPER

rutikugale25@gmail.com · +91 8530172521 · Sinnar, India · <https://linkedin.com/in/rutik-ugale-388107232>

PROFILE

Junior Full-Stack Developer with hands-on experience architecting and shipping AI-powered SaaS platforms, CRM systems, and admin dashboards. Proficient in full-stack development across Next.js, Node.js/MySQL, React.js, and Laravel/PHP, with expertise in AI API integrations. Proven ability to own full product lifecycles and deliver production-ready applications.

EXPERIENCE

Junior Full-Stack Developer

2025-09 - Present

Technicul Cloud LLP • Mumbai, MH

Solely architected and delivered ResumeSprint, a production-ready AI-powered resume SaaS platform, end-to-end as a one-person team.

- Admin panel enables full back-office control: subscription plan configuration, user data oversight, and platform-wide settings.
- Integrated AI APIs for resume scanning, job description matching, improvement suggestions, and automated PDF generation, covering the full resume lifecycle.
- Led all React.js frontend development for Technicul Workspace CRM within a 2-person team, delivering a daily planning and project management platform.
- Implemented role-based access control (RBAC) across 3 roles (Super Admin, Developer, Sales Executive) for employee management, project tracking, and workflow management.

Web Development Intern

2021-06 - 2021-12

Technicul Cloud LLP • Mumbai, MH

Completed during gap year between Diploma and B. Tech. Learned and applied HTML, CSS, JavaScript, PHP, Laravel, and basic REST API development. Understood Laravel MVC architecture.

Web Development Intern

2024-06 - 2024-08

FAB Software Stock • Navi Mumbai, MH

Developed features for a Society Management System, an internal portal for society operations.

- Worked with C#.NET, SQL Server, and HTML for database handling and web development.
